## 2021 GRANT DISTRIBUTION GOALS

### GROCERY ASSISTANCE GRANTS

Support farmers, food producers and suppliers in exchange for product to be distributed in an emergency (eg. Covid or hurricane).

### PREPARED MEAL GRANTS

Support restaurant and food-producing businesses through a systems approach, requiring funds be used to pay employee labor, be spent with local-independent businesses, and meals be intended for consumption by the food and beverage community and others in need.

### INDIVIDUAL GRANTS

Support food and beverage community members facing unforeseen challenges such as medical emergencies or accidents.
